Page 2 This guide to Batman: Arkham City contains a very thorough walkthrough of the main story mode of the game.Most importantly, you can find precise instructions regarding completing missions, reaching important locations and safely moving through them and what gadgets you will need to complete the puzzles prepared by the creators.Just like in Batman: Arkham City, you can enter Big Head Mode! To turn it on, you must use the cryptographic sequencer and then hold L1 + R2, then rotate the right analog in a clock-wise direction. Keep twirling until your head turns into BIG HEAD!Batman Arkham Origins Skins CheatBatman: Arkham City All skins At the main menu, press Left(2), Down(2), Left(2), Right, Up(2). Down to unlock an option to select any of the bonus skins that you own. If you entered the code correctly, you will hear a sound when you continue your game. Big head mode.Describes how to access this easter egg.It's very easy to do. You have to have finished the game on normal or hard, or on New Game+ (Which you can't unlock by completing the game on easy, anyway.) At any point in the game, take out Batman's Cryptographic Sequencer. While holding down both RT and LT (or, I presume, R2 and L2 on PS3), begin to rotate your left thumbstick clockwise and your right thumbstick counter-clockwise. After doing that for a few seconds, you'll notice that the Dark Knight's chin has gotten a good dealchinnier.You can also watch the Rooster Teeth video (great channel for achievements and easter eggs, by they way!). Page 6 Fallout 4 Alien Blaster PistolHow To Get Alien Gun In Fallout 4 ModIs hiding tons of secrets, but perhaps none so out of this world as a hapless extraterrestrial and his blaster pistol. Well, friend, I'm gonna tell you how to find them both and keep the latter for yourself. A note before we begin: Reddit users this event may be tied to a character's level or Luck stat, so if you go to the designated locations but find nothing there, try again at level 20 or with higher Luck.You may have heard NPCs talking about a strange object falling from the sky. That's our first stop, and it lies crashed among the hills just east of Oberland Station - a small encampment near the western edge of the map. If you haven't yet come across Oberland, it's south of Beantown Brewery and north of Vault 81.As you search the area, you should see burning trees and a crater, in which lies the smoking wreckage of an alien spaceship. Look to the ground and you should see smears of green blood. Channel your inner Arnold Schwarzenegger and mutter to yourself, "If it bleeds, we can kill it."Fallout 4 Alien Blaster PistolHow To Get Alien Gun In Fallout 4 ModHow to Get the Alien Blaster in Fallout 4 - Steps Start Fallout 4 - Wander the Wasteland. Look out for unidentified flying objects. Follow the UFO. Approach the wreckage of the UFO. Follow the blood trail to a nearby cave. Locate the alien. Make sure you are hidden. Loot the alien's corpse. Mar 31, 2017 - Related: PlayStation 4 gamers won't get access to the cool Fallout 4. Like Kellogg's Pistol, this is one of the earlier powerful weapons that.(This is a super important step, do not skip it.) Follow the trail down the slopes and you should come across a small cave.Inside is the alien. His crash landing has left him in no position to win a fight against you, so do what RPG heroes do best and slaughter the creature so you can take his stuff. Congratulations, you've now got the alien blaster pistol! Be mindful of where you shoot it, because ammunition for it is rare, and I doubt you'll find many more unfortunate spacemen to steal from.Seen something newsworthy?! Page 7 Driver Booster Pro Crack. It can scan automatically when you launch a program or when you connect a device. Or you can set fixed intervals for scans and update drivers one by one or all at once with a single click. Updates to Driver Booster 2 include faster downloads and an all-new user interface with skins. ProSafe: Driver Booster 2 can back up drivers, create restore points before installing updates, and show only WHQL-tested drivers. The Ignored list comes in handy when older PCs and components can't use the latest drivers.Fast and easy: In our tests, Driver Booster 2 downloaded and installed drivers much faster than we could - assuming we would even have been aware of all the updates our system needed.Reboot: Not sure if or when to reboot when updating drivers?Driver Booster 2 will tell you and do it automatically, if you tell it to in the program's settings.Game-centric: Driver Booster 2 can identify gaming components and tweak drivers for improved gaming performance. ConsAlarming: Warnings about the risks posed by some out-of-date drivers seemed a bit dramatic.Double-check: Some drivers that had downloaded and installed as a package required updating individually, even after rebooting. Fortunately, rescanning is fast and easy. Bottom LineLess-experienced users may get the greatest benefit from IObit Driver Booster 2, but even advanced users will appreciate its ability to update system drivers with the greatest of ease. Driver Booster 6 is one of the most popular driver update tools worldwide. Driver Booster 6 expands its driver database with over 3,000,000 device drivers and game components which all pass WHQL to guarantee an accurate and secure driver update. It helps users detect all outdated/faulty/missing drivers and game components and keep them always up-to-date.Driver Booster 6 also enables intelligent auto driver update service while the system is idle to save a lot of users' valuable time. Most notably, Driver Booster 6 adds a brand new Boost module to bring users the best gaming experience by boosting the system with 1-click. Moreover, Driver Booster 6 offers useful tools to help users restore the system, view system information, and fix the common but bothersome problems such as no sound, network failure, bad resolution, and device error:screenshots.
