Are you looking for a brand? Purchasing of Busch vacuum pumps, repair or maintenance? We are your partner! Use the experience of our workers, just ask a quote or technical question, we will care about the rest. Busch is a famous brand and its R5 RA oil lubricated series simply captivated the world. Busch vacuum pumps operated mainly is in the
rough and medium vacuum field very strong so this pumps are in this working area like packaging, food industry, coating industry, coating industry, are allow of Busch vacuum pumps R5 series Oil lubricated rotary vane Busch vacuum pumps being used in all
areas of industry. You may use till medium vacuum pumps in combination with a high vacuum roots pumps. Durable, robust and compact vacuum pumps with recirculation oil system and built in oil pump. Zebra pumps working
on a pressure range at 10-3 mbar abs. This series are well fitted with a comprehensive range of accessories which is larger than than other famouse brand. Vacuum level could be better its reach the usual range of 2 stage pumps, to increase of volume
flow and reach better vacuum level if its important for your application. Frequently used high vacuum roots pumps Fossa 100% oil free vacuum pump for different application with a working vacuum level of -2 decade. Best solution for analytical and labor application, probably together with a turbo
molecular pump. Please do not forget to check our Scroll vacuum pump for general and sensitive or dangerous application. Possible for evacuate gases and steam. Busch able to customise after your requirement a special screw vacuum pump
It could be ATEX certified Mink This is a world best claw vacuum pump from Busch, who is the biggest developer of this dry vacuum technology. Busch vas able to reach 40-60 mbar abs. pressure by continuously operation with this dry vacuum technology.
about maintenance. Just replacing air filters and some minimal quantity of oil. Seco Seco series is a carbon vane vacuum pump, for rough vacuum pump, for rough vacuum pumps, compressors and the pressure-suction pumps. Oil free pumps operating with carbon vanes
Easy maintenance machines High vacuum pumps Turbomulecular vacuum pumps Diffusion vacuum pumps Spare parts kits and sets for different types Individual spare parts roter Take a look of our spare parts site, where you can find our replacement vacuum pump spare parts, for lower price, high quality and do not forget we could help you if you
need one pump as soon as possible. On our second hand market you can find more than 100 different vacuum pumps from the refurbished to used. Oil filters are usually spin-on filters, and can be easily fitted from outside and changed during regular maintenance. AIR24 vacuum pump oil filter for Busch vacuum pumps from the refurbished to used.
R5RA Busch pumps. Save money and request a quote for an alternative oil filter for Busch vacuum pumps from the below list. Home Compressor Parts & Kits Busch Vacuum Parts OEM=Busch Va
