Something’s not right here. A crew of up to 10 is ready to build their space shuttle to depart into the great unknown. However, there are a few traitors amongst the group. They will need to be weeded out, before they can attempt to kill all others in the fray. Can you survive the fun party game madness? Download Among Us for Android to see if you’re up for the challenge. Among Us Features Before you take off, you can take a look at the features guaranteed during your journey to build the shuttle. Relax, there isn’t an imposter fabricating these additions. Just read along and worry about that later… Win the game by successfully completing each task to build your space shuttle. Or, you can weed out all of the imposters and eject them from the game. Traitors can sabotage your plans at any moment. So, all players will need to react fast and move as quickly as possible. The Admin map and cameras will help you keep an eye on all crewmates. Make sure to keep tabs and stay alert at all times to spot any sign of a defector. Once dead bodies begin to show up, immediately contact your other players. Discuss any evidence and attempt to figure out who the imposters are as soon as possible. That being said, meetings can be held to discuss any suspicious activities or behaviors of other players. Once a verdict has been met, you can vote to eject any suspects. Be sure to make the correct decisions when choosing who stays and who goes. More features are waiting to be witnessed. However, you will need to download the game to figure them out for yourself. Graphics The graphics of Among Us are amazingly cute and well designed for the style of game. After all, this is a party game to be enjoyed and played with friends and family. The character models of each character is unique and distinguishable enough to have a personality of its own. You can easily point out Among Us from other games, based on the design of the characters and settings. With that being said, the animations also come together for some smooth visuals. The game can run at 60fps for ultimate optimization. Run through the map and perform seamless actions that look and feel good all throughout the game. Even with the simplistic choice of art style, anyone can appreciate the effort, creativity, and imagination. Previously state, this is a party game. So, the lighthearted atmosphere compliments the stylistic choices perfectly. All in all, Among Us mod apk all skins is a great game to play and still good game to watch as someone else plays.
