

# SHAMPOO SOFA 跨界沖水椅

Combines professional salon with luxury sofa design.

EVO-990SPA

EVO-990

■ 脫離傳統整座式沖水椅的設計形象，結合沙龍專業與獨立沙發設計，曲線造型的獨立水槽，為室內垂直水平的空間線條增添變化；單椅設計則呈現出沙發獨有的優雅與奢華風情，二者跨界打造出兼顧機能且舒適放鬆的洗髮沙發椅。 Unlike traditional style shampoo chair, "Shampoo Sofa" combines professional salon with independent sofa design. The curve-shaped independent sink decorates the square indoor space with variety. The single-chair design shows the elegance and luxury of the sofa. This non-traditional shampoo sofa provides you with not only functionalities, but also comfort as well as relaxation.

■ 腳踏採用不鏽鋼踏面伸縮滑軌，可將其收納至沙發椅下。 The stainless steel sliding rail of the footboard can be slid under the sofa.

■ 腳踏踏面使用菱格紋不鏽鋼踏面，質感兼具實用。 The footboard surface is made of lozenge-patterned stainless steel, showing its quality and usefulness.

## Reclining SPA Chair

SPA後躺椅 / SPA-13CR

尺寸 / Size : W700 mm / H980-1100 mm / D1020 mm

簡單而純粹的簡約風格，襯托出此款理性嚴謹的設計特質。坐墊上的設計巧思與椅背曲線，讓整張椅子的舒適度更趨完美。無段式的椅背傾斜結構與可調整高低的頭枕結構，在後躺使用時更符合人體工學。

Designed with simple and pure minimalism style, "Reclining SPA Chair" has the qualities of rationality and practicality. With the special design of the sitting cushion and curve-shaped seatback that provides great support for your back, this chair offers excellent comfort. The stepless adjustable chair has a seatback that can be adjusted the angle.

新古典椅追求古典美感上的設計本質，以現代化的材質展現出新一代椅款，扶手使用不鏽鋼材質，金屬表面為拉絲線條處理，精緻簡約，從椅背延續到坐墊下方，皮革連身式的縫製設計，除了增添椅身的立體效果之外，也更易於清除髮絲細屑。

"Neo" is a neo-classical option. Designed with classical, beautiful elements, it now uses the modern materials and presents itself as a new generation chair. The armrest is made of hairline-patterned stainless steel. The one-piece stitching design not only highlights the three-dimensional effect of the stitching, but also makes cleaning hair debris easier.

座椅右下方配有吹風機掛架，掛架可旋轉收入椅墊下方。On the bottom right side of the chair, there is a hair dryer rack, which can be rotated to hide under the chair cushion.
